Lectern computer station

Computer models may vary by classroom, however the various equipment functions the same. Each classroom has a monitor, keyboard, mouse, and USB ports on the side of the monitor, and/or a USB hub.

Useful Instructions:

1. PC should be powered on when you come in. Power monitor on using button on lower right if needed. Power for the computer is on the box.

2. Press CTRL+ALT+DELETE to log in using your University ID and password.

3. If computer is off, or you have trouble with the display, call Help Desk Classroom support at 426-4357

Common Issues:

- If the computer will not turn on or display, please call the Classroom Support.
- If the Monitor is not displaying, check that the power button, located in the lower right corner, is turned on.
- USB keys can plugged into the port on the side of the monitor.
- The computer should be accessible for DVD and USB access.
