There are two ways to view your grades on BroncoWeb. You can view grades for all classes taken through Course History or you can view your grades by semester.

1. To view course history; sign into your Student Center, select Course History from the other academic drop down, then click go.

2. There are different icons for classes taken, transferred, and in progress.
1. To view your grades for current and prior semesters; sign into your Student Center, select Grades from the other academic drop down, then click go.

2. Select a term and click the Continue button.
3. To select another term click on the change term button and repeat step 4.
