Run Online Class Schedule Validation Report (print format)

BSU Pages and Reports> Student Records Menu> Online Class Scheduling> Validation Report

If you have not run this report previously, you will need to set up a run control by choosing:

1. Add New Value Tab

**BSU OCS Validation Reports**

![Find an Existing Value | Add a New Value](image)

Run Control ID: SONIREPORT | Add

![Find an Existing Value | Add a New Value](image)

2. Input your run control name (you may name this whatever you like but the name can have an underscore but no spaces are allowed)
3. Choose Add button

Note: A run control is just a simplistic way for you to run your reports easily with all your saved defaults.

Once the Run control exists

1. Input the parameters (course attribute filter is typically used by extended studies)
2. Choose Save

**Online Class Scheduling Validation Reports**

Run Control ID: SONI_OCS | Report Manager | Process Monitor | Run

![Validation Report Filters](image)

3. Choose Run
4. Select Server Name (PSUNX)
5. Select the check box beside “Schedule of Classes Validation”
6. Choose OK

7. Choose the link labeled “Process Monitor”
8. Choose Refresh until the status displays as “Posted”

Once Report has posted successfully

9. Choose Details

10. Choose View Trace Log
10. Choose PDF term Class schedule or the xls file

OR

11. Choose “Report Manager”
12. Choose link labeled “Schedule of Classes Validation”
